

Year 2

NUMBER

1-digit number
2-digit number
digit
predict

quantity
set
tally
tens

turn
units
value

PLACE VALUE & ORDER

column
decrease
halfway between
higher
hundreds

hundred less/more
increase
interval(s)
lower
multiples of (ten)

ones column
partition
pattern
placeholder
place value

position
recombine
tens column
twenty-first
twenty-second

ADDITION & SUBTRACTION

adding sentence/story
balances/balancing
column(s)
count back

in total
inverse
larger
multiple

number facts
numeral
part-whole model
row

smaller
sum
whole tens

MULTIPLICATION & DIVISION

altogether
balances
combinations
divide
each
equal/unequal
equation

equivalent
group (equally/between)
groups of
inverse
left over
lots of...
multiplication table

part
product
scale up
set
share (equally/between)
signs/symbols
split (equally/between)

times
times table
total
twice as big/small as

ESTIMATING

about
almost
greater than

halfway between
less than
nearer to

round to the nearest ten
round up/down

REASON

calculate/calculation
complete/completing
cycle
describe the pattern
describe the rule

first I need to...
I know this, so I know/
predict/think that...
it could (not) be... because...
link/linked

mental calculation
missing
order
prove
repeat/repeating

rule(s)
symbol
then I need to...
written calculation

MONEY

fewer
rounding

GEOMETRY

angle
anticlockwise
arrow
circular
clockwise
curved surface
diagonal

half
hexagon
horizontal
line of symmetry
matching/identical/same
mirror image
mirror line

ninety degree turn
octagon
pentagon
prism
rectangular
reflect/reflection
right angle

rotate/rotating/rotation
semi circle
square prism
straight line
triangular
vertex/vertices
vertical

DATA

bar chart
block graph/diagram
category
graph

interpret
key
label
pictogram

tally chart
title

MEASUREMENT

approximate
capacity
centimetre
cold/colder/coldest
degrees (celsius)
distance
exact

further/furthest
gram
graph
half kilogram
half litre
kilogram
litre

mass
measuring (jug/scale)
metre
millilitre
standard unit of measure
tape measure
temperature

thermometer
warm/warmer/warmest
weight(s)

TIME

analogue
digital
earliest
fortnight
half past

latest
midday
midnight
minutes past/to
noon

o'clock
quarter past
quarter to
time difference

FRACTIONS & RATIO

denominator
divide
equivalent/equivalence

factor
mixed number
non-unit

numerator
one third
third

two quarters
two thirds
unit

GENERAL

investigate
method
number grid

number pairs
operation(s)
predict

represent
sign
tally
